

## **TITAN DUAL-LEG VERTICAL LIFT**

WITH HINGED LID OPENER AND FIXED TOP OPTIONS

## TITAN LIFT

Introducing the Titan Lift TV Cabinet: Elevate Your Flatscreen Experience

Experience the ultimate versatility and sophistication with the Titan Lift TV Cabinet from Ultralift Australia. Designed to revolutionize the way you enjoy your flatscreen, this remarkable product offers unlimited applications, ensuring a seamless integration into your living space.

**Smooth, Quiet Operation:** The Titan Lift TV Cabinet boasts a state-of-the-art lifting mechanism that guarantees a smooth and quiet operation. With effortless precision, you can raise or lower your television to the desired height, creating a dynamic viewing experience that enhances your entertainment pleasure.

**Compact Design, Limitless Possibilities** Our Titan Lift TV Cabinet is thoughtfully engineered with a compact design, allowing you to conceal your flatscreen within various furniture options such as **cabinets**, **sideboards**, or even **floors**. This innovative approach to TV placement brings a touch of modernity to your interiors, transforming any space into a sleek and stylish haven.

**Minimalistic Style, Maximum Protection** Say goodbye to unsightly wires and bulky TV stands. The Titan Lift TV Cabinet offers a minimalist aesthetic that seamlessly blends with any interior design. By elegantly concealing your television, you can enjoy a clutter-free environment without compromising on style. Additionally, this innovative product provides reliable protection for your valuable TV, keeping it safe from accidental bumps or scratches.

**Vertical TV Lift for Flatscreens 46" – 70"** Our Titan Lift TV Cabinet is specifically designed to accommodate flatscreens. Whether you have a smaller display for intimate settings or a larger screen for immersive viewing, our vertical TV lift system ensures a perfect fit for your entertainment needs.

Contact us now to explore the endless possibilities of the Titan Lift TV Cabinet and discover how Ultralift Australia can enhance your flatscreen experience like never before.

**Cabinet/Joinery Not Included**

Please note that the Titan Dual Leg unit does not include the cabinet or joinery. To complete your setup, we advise you to contact your local carpenter or cabinet maker.

\*Other colours are available as per request.

\*\* The hinged lid opener is only available for TVs smaller than 65 inches.

#### <MULTIPLE VESA MOUNTING CONFIGURATION>

## PRODUCT INSTALLATION

- The **Cable Management** on the Titan uses an Energy Chain articulated cable management system. The Energy Chain will follow the movement of the Titan lift without causing crimping or crushing of cables.
- **The Control box should** be mounted inside the joinery and ensure that it can be easily accessed for maintenance. (It is recommended to keep access to the lift through the front of the joinery).

## WARRANTY AND RETURNS

At Ultralift Australia Pty Ltd, we take pride in our products being of the highest quality. Because of this, we offer the following programs to ensure your satisfaction.

### ULTRALIFT 3-YEAR WARRANTY

1. The product is warranted for 36 months from the invoice date. Subject to the conditions of this warranty, Ultralift Australia or an authorised installer will perform necessary service on the product without charge for parts or labour if, in the opinion of Ultralift Australia, the product is found to be faulty within the warranty period.
2. This warranty only applies to Ultralift Australia products purchased from Ultralift Australia or an authorised dealer.
3. This warranty only applies if the product has been installed and used by the manufacturer's recommendations (as noted in the instruction manual) under regular use and reasonable care (in the opinion of Ultralift Australia). The warranty covers regular domestic, commercial or educational use only. It does not cover damage, malfunction, neglect, the build-up of dirt or dust, abuse, maladjustment of customer controls, mains supply problems, thunderstorm activity, infestation by insects or vermin, tampering or repair by unauthorised persons (including unauthorised alterations), exposure to abnormally corrosive conditions or any foreign object or matter having entered the product.
4. If warranty service is required, you should:
  - Contact your installer for advice on how to rectify the issue.
  - If this does not solve the problem, please call Ultralift Australia on +61 3 9459 0873 for advice.
  - If the device requires service, return the product to Ultralift Australia for repair.
  - Please Note: You must arrange freight and insurance to and from the device's location.
  - Please ensure that items returned are packed appropriately.
5. The warranties hereby conferred do not extend to, and exclude, any costs associated with the installation, de-installation, or re-installation of a product. This includes expenses related to the mounting, de-mounting, or re-mounting any screen (and any other ancillary devices), delivery, handling, freighting, transportation or insurance of the product or any part thereof or replacement to such installation, de-installation, reinstallation, or transit.
